TVs, Wait Lists...

this isn't a
dentist's office.

They come to workout.

That's what we were told once, or maybe twice... ok, we hear that a lot. So, we created the Jacobs Ladder – the 3 minute cardio workout that requires minimal space, no electricity and no explanation.

Oh, its good for them too.

Jacobs Ladder is a patented commercial cardio machine specifically designed for fitness enthusiasts, athletes and professionals. Its unique design is easy on the body, yet delivers a maximum workout to your client! **They** set the pace, **they** control the speed, **they** benefit from a workout that is as impactful as they desire. **You** keep them coming through the door.

\$2,995 plus shipping or lease for \$99/month for 42 months. Lease, no money down, \$1 buyout.

**Call today to order one,
or two for your facility.**
